MAP: Resurveyed and drawn to **ISOM 2017** standard by Tom Edelsten, autumn 2017. White, Yellow, Orange, Light Green and Short Green courses have maps at 1:5000 of the One Tree Hill area. Green, Blue and Brown have 1:10000 maps.

NOTE: The Brown course has road crossings so only people over 16 may run that course.

NOTE: For Light Green only, control 138 is visited twice!

Course overprint will be to ISOM 2000 as new symbol sets are not yet available/tested.

DESCRIPTIONS White and Yellow courses have written control descriptions printed on the maps. All other courses, including Orange have pictorial descriptions printed on the maps. Loose descriptions are available at Registration, for Orange these will be written/text descriptions otherwise the loose descriptions will be the same type as printed on the maps.

NOTE, for Light Green and Short Green the descriptions are split on the map print.

TERRAIN The terrain includes mature woodland and open areas with significant hills, as you can see from the climb shown above.

Come and experience some Essex contours!
