

Thank you all for coming to the event tonight. Hope you all got to spot some deer on the way round. There were a few in the housing estate and some more in the open field areas. The weather stayed dry, after some rain earlier in the day, and it was a mild summer evening.

Paul had planned some good courses, with some tricky legs to keep everyone thinking.

There are still a couple of results to be added to the short course, but draft results can be found at this [link](#)

Colin Jackson (Short) and Chris Prince (Long) were the quickest round the courses tonight, but once handicaps are factored in the wins go to Veronica Jefferies (Short) and Lyn West (Long).

Details of the all the results and upcoming fixtures in the series can be found on the series [homepage](#)

This is also where you can find links to the maps and instructions, if you wanted to run the Anytime catchup for the event, which will be available for two weeks for scoring in the league, and subsequently as part of our MapRun offering.

The next event is in High Woods. Colchester. Details on the SOS [here](#)
